invites you to a

**Visiting
Fellowship in
Electroconvulsive
Therapy**

Visiting Fellowship in Electroconvulsive Therapy

This activity is designed for psychiatrists, registered nurses and other mental health providers who wish to enhance their knowledge of Electroconvulsive Therapy (ECT). The objectives of the course are to provide the attendees with the skills required to perform state-of-the-art ECT and administer an ECT service. The course is a weeklong, 8am - 5pm program that permits fellows to receive hands-on experience in the actual administration of ECT under expert supervision. Didactic sessions with the ECT faculty of Columbia University cover topics relevant to running an ECT service, as well as new developments in seizure threshold, titration, stimulus dosing and post-ECT maintenance treatment. Trainees are exposed to ECT in a variety of settings - stand-alone ECT suite, recovery room setting, state facility and private facility.

CME Credit and Course Materials

*At the conclusion of the course, attendees receive a certificate of participation. After the course, a NYS OMH CME certificate awarding a maximum of **33.50 AMA PRA Category 1 Credit(s)TM** is sent. Each attendee will be provided with a copy of the APA Task Force Guidelines on ECT, a CD containing the lecture slides and readings, course evaluation and self-assessment materials and other handouts.*

Schedule

This course is offered on the following dates in 2018:

- ***January 22-26***
- ***April 23-27***
- ***July 23-27***
- ***October 22-26***

Registration

The course is open to physicians and nurses in the U.S. and abroad. This program is provided by the New York State Psychiatric Institute and the College of Physicians and Surgeons of Columbia University. Cancellations less than one month prior to start date will incur a 10% cancellation fee. The course registration fee is \$3,000. Course enrollment is limited, and spots can only be reserved for those sending in full payment. Early enrollment is encouraged, as course enrollment is limited.

CME Accreditation/AMA Category 1 Credit

The New York State Office of Mental Health's Bureau of Psychiatric Services and Research Institute Support is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

The New York State Office of Mental Health designates this live activity for a maximum of **33.50 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Policy Statement

The Bureau of Psychiatric Services and Research Institute Support (BPSRIS) relies upon faculty participants in its CME programs to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of the MSSNY, faculty participants are expected to indicate any commercial relationship that might be perceived as a real or apparent conflict of interest.
